(C) something that is not right or incorrect	(D) to wish something you enjoy to happen soon
(E) something that you achieve or your make it happen	(F) something new and difficult

V. Reading Comprehension (閱讀理解)

<p>How do you feel today? Are you happy with your friends? If someone is not nice to you, you feel angry. If you want to meet new people, you feel friendly. If you are with someone you love, you feel safe. When you are with your good friends, you can talk about anything. You can be honest and they will not think you are bad or crazy. That feels really good! If you are not afraid to say how you feel to someone, then that person is probably your true friend! If you are happy with your friends now, then you must have some good and true ones. (A-U3)</p> <p>15. (C) How do you feel when you are with someone you love? A. Friendly B. Crazy C. Safe D. Afraid</p>
